Zoning change has downtown merchants upset

by Jerry Grozelle

A proposed amendment to Anson, Hindon and Minden's highway commercial zoning by-law has some downtown Minden business owners concerned.

Dave Willis, owner of the Rockcliffe Hotel and chair of the Minden Business Improvement Area (BIA) said he obtained a copy of the document Friday.

"I've read it through once," he said, "but you have to read these things through three or four times to figure them out."

He said when he has a firm grasp on the content of the amendment, he will call a meeting of the downtown business owners some time before Thursday's public meeting to discuss the amendment.

"I don't want to make any official comment until I know what I'm talking about," Willis said.

He noted that the existing by-law hasn't been monitored, allowing non-conforming businesses to locate along the highway corridor.

The fear seems to be that allowing retail stores along the highway will draw business away from the downtown core.

"When Home Hardware moved out to the highway it hurt my business," Willis said.

Jessie Pflug, who owns the building on Minden's Main Street, which houses Northern Foods, is also concerned that

development along the highway will be at the expense of businesses in Minden proper.

"I don't see how opening the highway commercial zone to retail is going to help businesses downtown," she said.

After talking to several downtown business owners, Pflug said many were unaware of the impending amendment.

The notice was in the paper at a busy time and a lot of people didn't see it," she said. "It almost went by unnoticed. Everyone should be aware of the proposed changes and have a chance to understand them -- to fully understand what the changes are and why."

Pflug said she doesn't want to see the highway turn into a strip mall.

"Main street has character," she said. "It should be enhanced. The flavour should be maintained rather than destroyed."

"I can remember when the downtown was busy, busy, busy," she added.

Pflug agrees that the highway businesses should compliment those in the downtown core.

"Don't take away what the downtown needs and put it out there," she said.

The proposed amendment, if passed, would allow such businesses as hotels, motels, restaurants, service stations, personal service establishments and retail stores. The latter effectively opens the

(more on page 3)

LITERACY SUPPORTERS: A sale of used books, games and jigsaw puzzles, held at the museum complex in Minden Saturday, raised money for the Literacy Program. 1998 marks the 100th anniversary of the library system in Haliburton County and a birthday card was available for patrons to sign.

Merchandise, cash and surveillance equipment stolen in Home Hardware break-in

A break-in at Minden Home Hardware some time late Thursday night or early Friday morning netted thieves a substantial amount of merchandise and cash. Police say at least \$15,000 worth of merchandise, mostly power tools,

was taken, along with an undisclosed quantity of cash.

According to police, the culprits gained access to the building by prying a back door open. The store was not equipped with an alarm system. It did have surveillance

equipment, but the thieves took it with them.

The full value of the loss has not yet been determined.

Minden OPP officers are working on some leads. The incident remains under investigation.

Lutterworth taxes set: spending down 2.5%

The Township of Lutterworth has set its 1998 tax rates and for many the news will be good. As well, this year's budget will see an expenditure drop of two and a half per cent over last year.

Lutterworth will be sending out the final 1998 tax bill at some point this week, said Reeve Jim McMahon. "I must compliment the staff members for their work," said McMahon. "They have really

worked hard this year." Municipal tax rates were delayed across Ontario this year as staff dealt with the seemingly endless changes in costs due to provincial downloading. The reeve also stressed that the holdup was strictly due to the provincial government. "This has been the most difficult year for elected officials," said McMahon. "This is no way to run business."

The decrease in the budget

was not easy to achieve. The Township of Lutterworth did not receive any funding from the provincial Community Reinvestment Fund. As well, the township applied for assistance from the province's Special Circumstances funding to help recover the cost of policing which will amount to \$133,280, but received just over \$58,000. In comparison, the Township of Stanhope received an \$83,813 offset for

their policing costs, which amounted to \$130,469.

Residents of Lutterworth can calculate their final tax bill by multiplying their actual value assessment by the 1998 tax rate, less the amount of the interim tax bill. This year the residential tax rate will be 0.01009522 (just over one per cent). The commercial rate for occupied property is 0.2511299 (just over 2.5 per cent). The final tax bill pay-

ment will be due on September 25, 1998.

McMahon noted that although many residents will see a decrease in their taxes, some property owners will see an increase. "Any increases are due to actual value assessment, which affects lakeshore property owners," said McMahon.

(For a complete breakdown of the Lutterworth tax rates, see chart on page 3.)

Nearing completion

Artist John Lennard estimates the mural should be completed in about two weeks time. The four scenes within the mural are now finished, and the artist continues to work on the details. For those interested in seeing more of the artist's work, in a more conventional size, a show featuring his painting opened last week at the Rail's End Gallery in Haliburton. The show continues until September 12. This photo was taken Friday, August 24.

CLEANING UP STANHOPE: Residents and cottagers from Stanhope pitched in together to clean up the township on August 15. People cleaned up everything from highways, to cottage roads and backyards. This group tidied up Hawk Lake Road from Highway 35 to the landfill site. Pictured here are Grant Montgomery and his grandchildren, Jack and Mary Chambers, Garth Mole and Bill Jamieson and his family.

Lutterworth taxes

The chart below outlines the municipal tax rates set last week in Lutterworth Township. To determine the taxes owing, simply multiply the rate shown on the right, for the category of property, by the value indicated on the assessment notice sent earlier this year. See story on page one for additional details.

Heritage river designation: unanswered questions

If the councils of today support the designation of the Trent-Severn Waterway as a Canadian Heritage River System (CHRS), will they be selling future control of their waterways down the river?

Listening to John Fisher, co-ordinator of the CHRS Program for the Ministry of Natural Resources, gave members Haliburton County council a different perspective on the goals of the program. Several months ago, council heard from a group opposed to the designation of the Trent-Severn Waterway as a CHRS. The message from that group was that such a designation could result in local governments losing all control over development along waterways within their jurisdiction, possibly including the entire watershed of CHRS designated water courses.

Fisher couldn't say what area the heritage designation would encompass. "It could be shoreline to shoreline; it could be a 200 metre setback; or it could be the entire watershed," he said. He noted that proponents of one system had applied to have the entire watershed included.

Fisher didn't have all the answers for council, but he said a CHRS designation would "have no effect on land use, planning, crown land, property rights or aboriginal treaty rights." He added that a CHRS designation would have no impact on municipal control or on water levels.

A couple of key questions remained unanswered to the satisfaction of some members of council.

"We are suppliers of water to the Trent-Severn Waterway," Anson, Hindon and Minden Reeve Jeanne Anthon noted. "Would there be more demand for water?"

Fisher said that increased development down stream "would only require minimal increases in water demand, if any."

Stanhope Reeve Eleanor Harrison explained that her council opposed the designation out of concern that the users down stream may demand increased water flow, which would further draw down the reservoir lakes in Haliburton County. She noted that it is a delicate balancing act to keep the Haliburton

(more on page 8)

Merchants question changes

(from page one)

area to most of the same types of stores that are established in the downtown area.

In addition, part of the highway commercial zoning area, including the area from Westside Jug City to Dollo's IGA would be changed to village commercial. The reason cited for this change is "to recognize the uses at the Highway 35/Bobcaygeon Road intersection."

The preamble to the zoning amendment states: "The continued restriction of retail uses in the highway commercial designation is not in the public interest."

The purpose of the amendment is "to broaden the land use permissions in the highway commercial designation and to redesignate an area of land at the intersection of Highway 35 and Bobcaygeon Road to village commercial."

The amendment affects all lands designated highway commercial. The most significant area is a 2.5 kilometre section along both sides of Highway 35 from about Spring Valley Road to just past the County Road 121 turn to Haliburton.

The primary purpose of the commercial planning is to ensure that there are sufficient opportunities for the shopping public to purchase goods and services, according to the information provided with the proposed amendments.

A public meeting regarding the Official Plan amendment will be held at the Anson, Hindon and Minden municipal council chambers at 7 Milne Street, beginning at 6 p.m. Written and/or verbal presentations may be made in support or in opposition of the proposed amendments at that meeting.

BIA Chair Dave Willis has called a special meeting for Thursday, August 27 at 5 p.m., just before the municipal meeting, to discuss the downtown merchants concerns. The gathering will be held at the Rockcliffe Tavern

Quarry opponents ready to face each other

There was a feeling of restrained opposition at the final preliminary hearing of the Ontario Municipal Board concerning the quarry scheduled to be built near Victoria Road. The parties involved gathered to lay down the guidelines for the official hearing that will take place in October.

About 20 concerned residents and interested people gathered at the Cobocok Community Hall to listen to the proceedings. The numbers dwindled as the hours passed, as the process for hammering out the details of the upcoming hearing were lengthy and tedious.

The meeting was set up along the lines that divide the debate over the quarry. On one side of the room were James Webster, the quarry developer, with representation from the County of Victoria and Bexley Township. Across the hall were Michael Poulton, and Tasso Komossa representing the Northern Victoria Ratepayer's Association, The Kirkfield Business Association, the Victoria Road Community Association, and the Township of Eldon, all of

which are opposed to the limestone quarry proposed for the Victoria Road area. In the middle was D. Perlin, the case manager with the Ontario Municipal Board, who attempted to explain and answer any questions from either side concerning the actual hearing.

One of the concerns was the position of Eldon Township, which was unclear to Mr. Perlin. The Reeve of Eldon, Wayne Teel was in attendance, and was able to make their position apparent. "They have been opposed to it from day one," said Teel.

From that point the meeting revolved around the details of the actual October hearing. Both parties discussed who they would be calling to give expert testimony on the effects, if any, a limestone quarry would have on the environment and the surrounding community.

This was the last in a series of preliminary hearings. The official hearing will span about three weeks of intense discussion and debate over the quarry and will begin October 26.

WE NEED YOUR HELP

There is an important regional survey coming your way from Gordon A. Monk Funeral Home and Canada Purple Shield/Family Side.

This survey will determine how people just like you plan for one of the hardest things anyone must face...the death of a loved one. There are only 19 questions, but each one is important.

Please be as open and candid as possible since your answers will help determine the direction of funeral service into the next century.

Fall and spring popular times for cottage break-ins

Spring and fall are the times of the year when thieves are likely to target area cottages, members of the Twelve Mile-Little Boshkung Property Owners Association were told at the group's annual meeting. Sergeant Art Goard was one of a number of speakers when the group gathered earlier this month at Hart Lodge.

The sergeant told the meeting that officers from the Minden detachment had investigated nine break and enters at various locations around the two lakes so far this year. One location was entered three times and another cottage experienced its third break-in in three years. He said in most instances the thieves removed alcohol, however, in two cases electronic equipment and tools were also stolen.

Goard said that the number of break-ins was increasing in the area patrolled by the detachment, with over 500 such incidents reported during the past year. He cautioned cottage owners not to leave valuables behind and in particular to remove firearms and large quantities of alcohol. He advised the property owners to etch their driver's licence number onto electronic goods, motors and other valuables to assist the police in identifying the owners if the item is stolen and then recovered.

The sergeant noted that while the number of break-ins is on the increase, a busy thief could be responsible for boosting the statistics. He said that catching one individual or group responsible for a break-in often leads to solving a string of break-ins.

With more encouraging news, he told the meeting that the detachment had not received any complaints regarding boating infractions on the two lakes the association represents. The sergeant noted that the marine patrol does make spot checks on area lakes.

He advised the members that the detachment office has been moved and now shares a portion of the Ministry of Natural Resources office on Highway 35 in Minden. He said the complement of officers covering most of Haliburton County and portions of northern Victoria County includes one detachment commander, four sergeants and 41 constables. He also reminded the audience that the phone number for police related emergencies is 1-888-310-1122.

Fire safety

Also on hand to address the meeting were Bill Hogg and John Hogg the chiefs, respectively, of the Minden and Stanhope fire departments. They provided a number of safety tips for those in attendance and explained some of the difficulties they encounter in protecting the lives and property of area residents.

They pointed out that 9-1-1 emergency service is not available in Haliburton County, so property owners should be aware of, and have posted near the phone, the appropriate phone numbers to be used in case of a fire, police or ambulance emergency. In particular they noted that the north of Little Boshkung Lake on the east side of the narrows at the Highway 118 bridge is served by the Stanhope Fire Department while those on the west side of the narrows are served by the Minden detachment. The chiefs explained that an effort is being made in the county to

Sergeant Art Goard, right, addresses the annual meeting of the Twelve Mile-Little Boshkung Lakes Property Owners Association. The meeting was held earlier this month at Hart Lodge.

co-ordinate fire department response, so the brigade closest to the emergency will be dispatched. Before that can occur, however, there is a need to standardize dispatch and radio systems across the coverage area. A committee has been working on the procedure.

When calling in an emergency, the property owners were advised to provide as much information as possible to assist the drivers in reaching the scene. (Renters or visitors should be aware of the location of the emergency information and phone numbers as well.) It was also suggested that individuals be posted at key points off the main roads to assist in directing the vehicles to the scene.

It was pointed out that smoke detectors are now mandatory in all dwelling units and a carbon monoxide detector is also recommended.

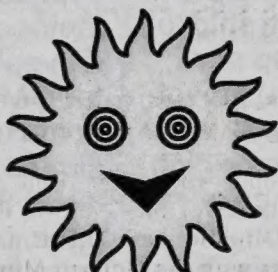

The meeting was told that the Stanhope fire department is also a first response team, which means they have trained personnel to assist in medical emergencies. The firemen have also received training in ice and water rescue up to level three. However, as Chief John Hogg pointed out, if the individual is not wearing a "floater suit" when he goes through the ice, there is little chance the firemen will have time to reach the scene and complete a rescue before that individual succumbs to the effects of the cold water.

Reeve's report

Anson, Hindon and Minden Reeve Jean Anthon was on hand to bring the property owners up to date on areas of municipal responsibility. She reiterated messages given at other lake association meetings regarding the introduction of actual value assessment and the resulting shift in the tax burden. She also spoke about the cost of policing which the municipalities will have to bear and told the meeting that expenditures in the municipality will be increased 3.4% to cover these costs.

Responding to questions from the audience, she noted that the municipality is now responsible for the sale of shoreline allowances on cold water lakes. Reeve Anthon noted the municipality usually accepts these requests,

Rewriting the rules on the bypass

A proposal from the municipality of Anson, Hindon and Minden to redefine some of the zoning along the Highway 35 bypass has downtown merchants concerned. The amendments would loosen the restrictions which were supposed to originally be applied to commercial enterprises along the stretch of Highway 35 from Spring Valley Road to the Gull River bridge. Under the original restrictions, prompted by a desire on the part of the Ministry of Transport to ensure the bypass in fact did what it was supposed to do, (allow traffic to move quickly past the built-up portions of the village of Minden), development adjacent to the highway was restricted to those businesses which fell under the general headings of food, fuel and accommodation. It didn't take long after the bypass was opened before the food, fuel and accommodation rule was being ignored. While still in place, any effort to enforce it has been half-hearted at

best and certainly lacking in authority considering the number of exceptions which dot the edges of the bypass.

With the development which has taken place along the stretch of highway, the nature of the bypass has changed over the past 20 years. At its busiest times, it is no longer a quick route around Minden, even though some drivers would like to believe it is open highway. The bypass is about to undergo another major change in the next few years if the plans announced by the Ontario Ministry of Transportation come to fruition. Changes envisioned include addition driving lanes the entire length of the bypass, but more importantly, the installation of up to three traffic lights along that stretch. The extra lanes and the reduced speed created by the traffic lights will be an added incentive for those using the

bypass to take advantage of the commercial opportunities offered along its edges. These changes in the character of the bypass will also make it more attractive to businesses. The traffic studies show that 5000 additional cars a day use the bypass in the peak season.

So, in redefining which enterprises may operate along the bypass: is the municipality responding to what has already taken place and attempting to bring the non-conforming use back into the fold? is it attempting to take advantage of what some may perceive to be a missed commercial opportunity that is about to get even better? or is the process a fundamental rewriting of the community's priorities that could threaten the viability of existing (downtown) businesses not located on the bypass?

The meeting this Thursday may provide some answers.

jb

The basis for the municipal action

The following material is contained in the preamble to zoning changes being proposed for the Highway 35 bypass in Minden:

PURPOSE

The purpose of this Official Plan Amendment is to broaden the land use permissions in the "Highway Commercial" designation and to redesignate an area of land at the intersection of Highway 35 and Bobcaygeon Road to "Village Commercial."

LOCATION

The Townships of Anson, Hindon and Minden are located in the western part of Haliburton County. The Minden town site is centrally located on the southerly extent of the township of Minden.

This amendment affects all lands designated as "Highway Commercial". The most significant area of land af-

ected is located on either side of Highway 35, in the community of Minden for a length of 2.5 km.

BASIS

The primary purpose of commercial planning policy is to ensure that there are sufficient opportunities for the shopping public to purchase goods and services. With commercial policies in the Official Plan, the municipality is able to control and regulate where and what commercial uses locate within the township.

Historically, the commercial uses in the Minden downtown provided a relatively full range of goods and services appropriate to a community of its size. In 1983, the Official Plan designated two types of commercial areas. "Village Commercial", the lands designated in the Minden downtown, were allowed "a wide range of retail and service commercial facilities,

business and professional offices, commercial entertainment facilities, institutional and public uses." The "Highway Commercial" designation restricted uses to those that served only the travelling public. The plan stated, "Permitted uses may include hotels, motels, restaurants, automobile service stations and similar uses". It was also mentioned that no use could be located in the "Highway Commercial" designation that would detract from the importance of the "Village Commercial" area as the primary retail and commercial centre of the Townships. This situation was in part a reflection of the MTO restriction on entrance permits to Highway 35 only for uses of "food, fuel and accommodation".

The downtown of Minden is typical of the main street in many Ontario communities. Buildings are built on relatively small lots and fill the entire property. The majority of parking is provided by

Zoning changes

(from page 6)

the Township, on streets and in municipal lots. There are few properties large enough to accommodate loading bays or tractor trailer access. The Highway 35 corridor in contrast, has large lots, a high proportion of vacant land, parking located on site, and the ease of access associated with a highway location.

Several things have changed in Minden since 1983. A major node of retail uses has grown at the junction of Highway 35 and Bobcaygeon Road. Major retail facilities have located at this intersection including a plaza, a large IGA, Home Hardware and a retail building. The uses have located at this intersection in recognition of the lack of opportunity within the "Village Commercial" designation area to accommodate large buildings with associated parking. As a result, the "Village Commercial" designation has grown out to the intersection with the Highway.

In 1996 the Townships reviewed the commercial policies in the plan and determined that in order to allow the provision of a wide range of goods and services, retail uses should be allowed on Highway 35, provided there was no suitable location in the "Village Commercial" designation. The Townships then conducted a survey to determine the largest uses in the downtown, and found that no individual store was

larger than 6000 sq. ft. Subsequently the Official Plan and Zoning By-law were amended to allow a wider range of retail uses along Highway 35 in the "Highway Commercial" designation, requiring that they were at least 6000 sq. ft. in size and thus could not locate within the "Village Commercial" area.

In early 1998 a review of uses on Highway 35 discovered a number of illegal retail uses within the "Highway Commercial" designation. As a consequence, Council directed that the Official Plan be re-evaluated to reconsider the policies restricting retail uses along Highway 35 between Bobcaygeon Road and Highway 121. The detailed land use survey was conducted in June 1998 and found nine illegal uses, including both offices, and retail uses less than 6000 sq. ft. in size.

The continued restriction of retail uses in the "Highway Commercial" designation is not in the public interest. Currently there is no available vacant space in the Minden downtown for large retail uses, whereas the Highway 35 corridor contains much vacant land. Some potential retail uses would serve a market that requires the access and visibility provided by Highway 35.

The decision to allow a broad range of commercial uses will also permit

stores that can cater to the tourist traffic on Highway 35. In 1992, the average daily traffic in the summer through the "Highway Commercial" designation on Highway 35 was 8400 vehicles. This same statistic in the winter months was 3450 vehicles per day. Thus in the summer months along this corridor the tourist traffic is 5000 vehicles per day, a significant market. If commercial uses were to continue to be restricted, Minden could not benefit from this opportunity.

The intersection of Highway 35 and Bobcaygeon Road has developed into a significant area of commercial retail uses. Many of the existing uses fall under the "Village Commercial" designation and the Official Plan should reflect this new node. As seen on the attached Schedule A, the "Village Commercial" designation is proposed to be extended to include both sides of this intersection.

The administrative and office functions of downtown Minden however should be maintained and enhanced. There is no public benefit to be gained by allowing offices along Highway 35. There is sufficient space for these uses within the downtown.

As a consequence, the proposed Amendment will delete the requirement that the retail uses be "space extensive" in the "Highway Commercial" designation and extend the "Village Commercial" designation to recognize the uses at the Highway 35/Bobcaygeon Road Intersection.

Getting your words worth

How many people do you figure speak Japanese as their first language?

The answer: 120 million — about four times the number of people who have "Canadian" stamped on their passports.

A hundred and 60 million people speak Russian. Two hundred and 90 million speak Hindu.

And English? Hey, all of America speaks English, as does most of Canada. And England, Scotland, Ireland and Wales. Not to mention Australia and New Zealand.

Heck, even Don Cherry speaks a kind of English.

Even so, English is but a distant second in the world language popularity sweepstakes. Four hundred million Earthlings speak our tongue as their first choice. Mandarin is the lingo of preference for 600 million people.

In terms of health, I'm not sure how Mandarin is doing, but I'm here to tell you that English is alive and well.

And growing.

I know it's growing because each year, English puts out a fresh green crop of newborn words and phrases, just as surely as a healthy maple sprouts new buds and leaves.

What kind of new words and phrases? Oh, how about 'cube farm'? That's a recently minted phrase to describe the new office environment so many of us work in — acres and acres of anonymous cubicles, where private

offices used to be.

And from the same office configuration we have the phrase "prairie dogging" — that's what workers do when they tire of toiling at their computer monitors and pop their heads up to see what's going on — just like prairie dogs.

Remember when you referred to a temporarily deranged co-worker as 'out to lunch'? Or 'one pickle shy of a jar'? The new term is '404'.

'404' is what it says on your computer screen when your search for a file screws up. It stands for 'file not found'.

And I'm sure that you, just as I have, have spent more than your share of 'salmon days' at the cube farm — swimming upstream against the current, getting nowhere fast.

Cheer up — a salmon day is infinitely preferable to the 'ohnosecond'.

That's the moment when you realize that you've just hit the wrong key and deleted three hours of hard work.

Great words and phrases all, and worthy additions to the ever resourceful English language — but there's still work to be done.

We need, for instance, a word to describe that ferocious battle that goes on between two theatre-goers (or two airplane passengers) silently jockeying for supremacy over the single armrest they have to share.

I mentioned this to a colleague. She

said "Why don't we call it *Elbonics*?"

And speaking of movie theatres — how about a name for those giraffe-necked fellow movie-goers who invariably take a seat directly in front of you, then proceed to crane their heads the same direction you do when you try to see around them?

We could call them *Eiffelites*.

I have long needed a noun to describe a particularly pointless habit I suffer from. You know when you're waiting for a balky elevator and you start punching the button repeatedly in the delusion that such action will make the lift come quicker.

Eleceleration would be a good word for that.

And how about a term to cover another ridiculous modern affliction — the habit of dialing a number and — just as the other party is picking up — utterly forgetting who you were calling and what you were calling about?

It's a form of telephone amnesia. *Phonesia* would cover it nicely.

I also recommend the word *ECNALUBMA*.

That's what we should call rescue vehicles which can only be seen in a car's rear view mirror.

It would be nice too, if we could have a word to signify that a columnist has run out of fresh ideas and really should call it a day.

DNE EHT comes to mind.

Trent Severn waterway heritage river designation

(from page 3)

County lakes within acceptable levels.

"Nobody has answered the drawdown question to our satisfaction," Harrison said.

Maintaining water levels to satisfy lakefront property owners is only part of the problem. The water levels must be sustained within certain limits to ensure that lake trout eggs are not left high and dry after the spawning run. Lake trout are an important resource to the tourism industry, which is the number one industry in Haliburton County.

The other stumbling block concerns the definition of Heritage River System. What does it mean?

Councillor Ross Rigney pointed out some contradictory statements in a question and answer sheet which was provided.

Once a river system has been designated, a "heritage strategy" is developed. The handout explains that a heritage strategy is a document that indicates how the outstanding heritage and recreational resources for which a river has been designated will be conserved.

The Canadian Heritage Rivers Board would have three years from the time of the official nomination in which to develop a heritage strategy.

Rigney compared going through the designation process first and then developing a heritage strategy to signing a blank cheque.

"What does it mean?" he said. "We don't know what it means."

Fisher assured council that the designation carries no legislative authority.

Councillor Don Shortreed said the term "heritage" raises a red flag for some people.

"I think of the designations out west, where the Heritage Minister wants to close airports" Shortreed said.

In the past, many buildings have been declared heritage structures. Under this heritage designation, owners of such buildings are governed under the terms of the designation, which puts restrictions and limitations on what they can do with their property.

Shortreed questioned what guarantee there was to ensure local governments would continue to have some control over what happens in their jurisdictions.

"I can't predict what will happen in the future," Fisher said. He added that he hoped he wasn't being naive in believing that the political process would

prevent power transfer some time in the future.

"It's kind of like trust me," quipped warden Murray Fearrey.

Fisher will provide some further information for council's perusal in the hopes that it will allay its concerns.

Fisher explained that six rivers have been nominated in Ontario and all but the Trent-Severn system have received strong public support.

"Community support is essential," Fisher said. "If it gets support it goes ahead. If not, it doesn't. The decision is made on the basis of local support."

The Trent-Severn nomination was initiated in 1994. The Canadian Heritage Rivers Board recommended its nomination in 1997.

Fisher pointed out that 13 local governments, including the counties of Peterborough and Victoria, have opposed the designation. Eleven townships were also on the list. Eleanor Harrison pointed out that Stanhope has expressed its opposition, but wasn't shown on the list.

A total of 16 municipalities support the designation and all of the Conservation Authorities, including Kawartha Region, are supporters as well. Some municipalities within Peterborough and Victoria counties are among the 16 supporters.

Besner Braves win North Country Softball League championship

Minden's Besner Braves won the Haliburton County Division championship of the North Country Softball League with a 10-8 victory over Gooderham August 16 in Gooderham. Minden downed Gooderham in two straight in the best-of-three championship final series. Minden and Gooderham finished the regular season tied for first place.

Gooderham met Lochlin in the semifinals and the Braves tangled with Haliburton.

Justin Rowden, Derek Little and Steve Kerins scored two runs each, with Craig Smith, Chad Connelly, Alex Little and Doug Schell adding single runs to the winning tally. Contributing to the championship with RBIs were Tommy Bagshaw (3), Smith (2), Derek Little (2), Mike Fearrey (1), Connelly (1) and Rowden (1).

Minden scored the only run of the first inning. The Braves outscored the opposition 2-1 in the second and 4-3 in the third, increasing their lead to 7-4.

Gooderham managed to retire the Braves in order over the next two innings, while adding two to its score in the fifth, closing the gap to 7-6.

Minden pulled in front 10-6 with

three runs in the sixth. Gooderham scored two in the seventh, but the Braves held on for the championship

lead on the way to a 19-9 win. Chris Eskelin paced the Minden attack, scoring four runs. Alex Little

to the Minden tally. Singles went to Craig Smith, Chad Connelly, Paul Longo and Doug Schell.

The semifinals saw the Braves down Haliburton 14-8 in the first game on the strength of a seven-run sixth inning.

Haliburton rebounded to win the second game by an 8-6 count. Haliburton notched six runs in the third frame and the Braves were unable to recover.

The deciding game of the series was on August 9 in Minden. It was a seesaw battle from the start. The Braves scored two runs in the first inning and three in the second after Haliburton notched five in the top of the second. After a scoreless third, the fourth and fifth saw each team add two runs per frame.

Going into the sixth, the score was knotted at 9-9. Minden held Haliburton off the board in the top half of the sixth and in the home half, plated three runs. The defensive work of the Braves paid off in the seventh as they held Haliburton scoreless for the second consecutive inning, earning the 12-9 win and a berth in the championship

LEAGUE CHAMPIONS: Besner's Braves of Minden won the Haliburton county Division championship of the North Country Softball League, earning the Lions Silver Cup. Seen here with the championship hardware are, back row (left to right): Coach Tom Bagshaw Sr., Doug Schell, Derek Little, Alex Little, and Craig Smith. Front row (l to r): Steve Kerins, Tommy Bagshaw, Chad Connelly, Mike Fearrey and Justin Rowden. Absent: Chris Eskelin, Paul Longo, Dave Raback, Kevin Barnhart, Mark Lund and Clark Craig.

the first game against Gooderham saw the Braves build a 7-2 first-inning

crossed the plate three times. Justin Rowden, Mike Fearrey, Derek Little and Steve Kerins added two runs each

finals. The Besner's Braves team is coached by Tom Bagshaw Senior.

Minden teamster wins light horse class

The horse pull was a popular event at the Haliburton County Fair. Following are the results of the heavy horse and light horse classes:

Light Horse Pull

First place, winner of the William Dugan Memorial Trophy - Wyatt Nesbitt, Minden.

Second place, Dennis Stamp, Wyebridge.

Third place, Mike Wessell, Norland.

Fourth place, winner of the Best Dressed Team Trophy donated by Little Bitza Bargains, was presented to David Sisson, Minden.

Fifth place, and Best Teamster Trophy, was presented by John Francis Fuels to Keith Hobden, Minden.

Sixth place, and winner of the Alex Little Electric Tro-

phy for the team from the farthest distance was Rob Munro of Lanark, Ontario.

Seventh place, Joe and Casey Cox, Minden.
Eighth place, David Sisson, Minden.

Ninth place, John Rosendaal.

Heavy Horse Pull

First place, winner of the Lawrence McKnight Memorial Trophy: Dennis Stamp, Wyebridge Ontario.

Second place, winner was Sinc Nesbitt of Minden. He also won the Best Teamster Trophy, donated by Keaney Chrylser:

Third place, Leroy Nesbitt, Cameron.

Fourth place, Mike Wessell, Norland.

Winner of the Victor Cox Memorial Trophy, presented to the Best Dressed Team was Dennis Stamp of Wyebridge.

Winner of the Wedgewood Ma-

rina Trophy for the team from the furthest distance - Dennis Stamp, Wyebridge, Ontario.

Blankets for both the light and heavy horse classes were sponsored by the Minden and District Lions Club, the Minden Rotary Club, Black's Transport of Bracebridge and LaJambe Enterprises Inc. of Sault Ste. Marie, Michigan.

HEAVY HAULERS: Scott Nesbitt of Minden drives Sinc Nesbitt's team in the heavy horse class during the Haliburton County Fair's Horse Pull in Minden. Sinc Nesbitt's team placed second in the competition, behind Dennis Stamp of Wyebridge.

LIGHTWEIGHT CHAMPIONS:

The team of Wyatt Nesbitt Logging of Minden captured the Lightweight division of the Haliburton County Fair Horse Pull competition. Besides cash and other prizes, he won a pair of horse blankets. Showing off the blankets in front of the winning team are (left to right): Scott Nesbitt, Ian Clark of Black's Transport and Wyatt Nesbitt.

HEAVY HORSE WINNER:

Dennis Stamp of Wyebridge was the winner of the Heavy Horse class of the Haliburton County Fair's Horse Pull. Brad McKnight (left) presented the Lawrence McKnight Memorial Trophy to Stamp as John Hewson (second from left) and Dennis' son Jamie (right) join in the celebrations.

Conservative nomination meeting set for Aug. 27 at Dunsford Community Centre

The Victoria-Haliburton Provincial Progressive Conservative Association will hold a candidate nomination meeting on Thursday, August 27 to select a candidate for the next provincial election.

The meeting will be held at 6 p.m. sharp at the Dunsford Community Centre, in Dunsford, just off Highway 36 between Lindsay and Bobcaygeon.

The seat is currently held by the Honourable Chris Hodgson, Chair of the Management Board, Minister of Northern Development and Mines and the Deputy House Leader.

For more information, contact Terry Franklin at 705-799-9693.

GOLDKey—

Hatchery, students benefit from partnership

by Jerry Grozelle

Working at the Haliburton Highlands Outdoors Association Fish Hatchery for the summer has been a benefit to everybody concerned. The Association has gained some valuable assistance and the two students, who worked a total of 17 weeks between them, added some practical experience to their education.

Morgan Stackhouse of Minden and Amy Edwards of Carnarvon have been assisting with the day to day operation of the hatchery, gaining some experience and providing some valuable services in the process. The presence of the two young women has given many of the hatchery volunteers the opportunity to take a break from their duties that occupy nine to 10 months a year. A few die-hard volunteers chose to remain active with hatchery chores, even though they have been offered the chance to take a break.

Stackhouse was employed through the Ministry of Natural Resources' Summer Experience Program. Her seven-week term ended on August 21.

She will start her OAC year at Haliburton Highlands Secondary School this September. Her employment at the HHOA Hatchery will compliment her future career ambition of working in the environmental field. She says she would like to take the Eco-Tourism course at Sir Sandford Fleming College.

Edwards was employed for 10 weeks under the federal program, Summer Career Placements '98, which is administered by Human Resources Development Canada. She will finish her term on August 28.

Edwards will be going into her third year of the four-year wildlife biology program at University of Guelph.

Both girls agree that the summer employment is excellent experience.

"It will look good on our resumes," Edwards said. They both intend to apply for the same jobs next summer.

Testing water quality, temperatures and oxygen levels was among their jobs. They also helped co-ordinate the

jobs done by the junior rangers, who worked at the hatchery for two weeks. Stackhouse spent about 70 per cent of her time working with fish culture duties. Edwards logged about 40 per cent of her time with fish culture duties. Another 20 per cent was occupied with administrative assignments. Her responsibilities included public relations, such as conducting tours of the facility, and helping to develop an emergency contingency plan for the hatchery.

Together, the two summer employees organized a barbecue to show the Association's appreciation for the volunteers.

Stackhouse has also been involved with the Walleye Watch program, which is a three-way co-operative effort of Haliburton Highlands Secondary School, the Ministry of Natural Resources and the Haliburton Highlands Outdoors Association.

HHSS teacher Dave Mowat has co-ordinated the high school's efforts, which include a forage fish inventory. Stackhouse has helped out with that program as well.

The Drag River clean-up project was another project that benefited from the participation of Stackhouse and Edwards.

During the summer the two girls also managed to work in a few courses at the Frost Centre. They also had the opportunity to tour the MNR's hatcheries at White Lake and Harwood.

"The hiring of these students would not have been possible without the assistance of the Ministry of Natural Resources and Human Resource Development Canada," said Heidi Williams, co-ordinator of the hatchery. "The HHOA recognizes the invaluable support that these contributing partners have made."

Williams said the two girls have been a tremendous asset to the hatchery operation.

"It has been a great opportunity to have Amy and Morgan work at the Haliburton Hatchery this summer," Williams said. "Not only has it provided the students with excellent skills and fish culture experience, it has as-

sisted the HHOA tremendously in the development of its fish hatchery operation and Lake Trout Enhancement Program. The volunteers and I will certainly miss their presence at the hatchery as they return to school this fall."

Williams said she plans to apply for funding from both government agencies again for the summer of 1999.

Volunteers needed

Volunteers are always welcome to help at the hatchery.

"It isn't a full-time commitment,"

she said.

It involves a couple of hours per week, feeding the fish and doing general tasks around the facility.

"They can set their own hours," Williams said. "We don't want to burn out our volunteer base."

Anyone interested in becoming a volunteer should contact Heidi Williams at the hatchery (705-457-9664).

Visitors to the hatchery are always welcome and group tours can be arranged by calling the above telephone number.

TESTING THE WATER: Haliburton Highlands Outdoors Association Fish Hatchery co-ordinator Heidi Williams (left) was thrilled to have the assistance of Morgan Stackhouse (centre) and Amy Edwards for most of the summer. The two students were hired through federal and provincial summer employment programs. Stackhouse is seen here testing the water in one of the hatchery tanks.

Ennismore driver wins Haliburton County Fair Demolition Derby

Paul Collins of Ennismore was the big winner of the Demolition Derby at the Haliburton County Fair. Collins wasn't in the top two of either the first or second heat, but he won the consolation round, qualifying him for the feature. He made the best of his opportunity, grabbing the \$500 cash prize and trophy.

Greg Johnson of Cavan took the \$100 second prize of the feature. Johnson also earned \$100 and a trophy as the winner of the first heat.

Randy Bull of Haliburton

placed second in the first heat, earning \$50 for his effort.

The second heat winner was Omeme's Toni Curtain, taking home a trophy and \$100 cash. Darren Wonnberg of Oshawa won \$50 as the second place finisher in the second heat.

The Mini - four cylinder class was won by Steve McLennan of Bobcaygeon. He took home \$100 and a trophy. Steve Bos of Lindsay took the \$50 second prize.

Chris Loughry of Minden won \$25 and a

trophy for the best decorated car.

Fish Stocking

Minden Area - Murphy Lake

The Ministry of Natural Resources, Minden Area Office, would like to inform the public that Longford Reserve Ltd. is considering stocking Murphy Lake, located in Longford Township, with walleye.

This is the first time walleye has been stocked into this particular waterbody. This stocking effort is being done to create a new fishery, thereby providing additional angling opportunities for walleye.

This project is being planned and implemented in accordance with the ministry's *Approved Class Environmental Assessment for Fish Stocking in New Waters*.

If you feel that after consulting with ministry staff that your concerns about this proposal have not been adequately addressed, you may make a request that the project be subject to an individual environmental assessment under the *Environmental Assessment Act*. The decision on whether or not to conduct an individual environmental assessment is determined by the Minister of Environment.

The Ministry of Natural Resources is collecting comments and information regarding this proposal under the authority of the *Environmental Assessment Act* to assist in making decisions and determining further public consultation needs. Comments and opinions will be kept on file for use during the proposal period and may be included in study documentation which is made available for public review.

Under the *Freedom of Information and Protection of Privacy Act (1987)* personal information will remain confidential unless prior consent is obtained. However, this information may be used by the Ministry of Natural Resources to seek public input on other resource management surveys and projects. For further information regarding this Act, please contact Dana Kinsman at (705) 286-1521 (Minden).

You are invited to direct any questions or concerns regarding this proposal, before September 22, 1998, to:

Dana Kinsman, Area Biologist
Ministry of Natural Resources
Minden Area Office
Hwy. 35 Bypass

Final notice of this project will be issued only to those who reply to this notice and to those who will be directly affected.

Addressing program moving ahead on Twelve Mile-Little Boshkung

(from page 5)

but reminded individuals that the shoreline strip is crucial in maintaining the health of the lakes. The sale of the shoreline allowance previously involved the Ministry of Natural Resources. She suggested that landowners keep the shoreline strip as natural as possible to protect the health of the lake.

The reeve acknowledged that the use of the product Dombind as a dust suppressant is a controversial one, but said the township is continuing to apply it, except in areas where it has received specific requests to stop.

Association business

• The members were advised that the property addressing program is continuing on the various roads around the lake. The process is utilizing the accepted civic addressing program in which a property is assigned a number related to the distance, in meters, from the start of the road to the property driveway, with odd and even numbers on opposite sides of the road.

President Jim Colson thanked the many volunteers who have been helping to get this project done and noted that 240 property owners around the two lakes have ordered reflective number signs. He said he expected the numbering process to be completed by the end of September.

Colson's efforts in co-ordinating this project drew the appreciation of the members after one property owner expressed his thanks to the president for his hard work in seeing the numbering through to

completion.

• Members of the association will be taking to the links again this year in the annual golf tournament scheduled for September 5 at Blairhampton Golf Club. Last year the event attracted 52 golfers, the limit, and is expected to fill rapidly again this year. Anyone interested in playing is invited to contact Bryan Linnard at 489-4579 for more details. Last year the tournament helped raise \$250 for the hospital fund.

• There was some good news for those who would like to see the beauty of the Highlands maintained. The Twelve Mile-Little Boshkung lakes crew which did a litter pick-up along Highways 35 and 118 had less to haul away to the dump this year than they did last. According to Jim Samson, who co-ordinated the clean-up with Jim Malcolmson, this year's effort netted 20 bags of garbage. Last year the haul was 50 bags. He encouraged more members, especially young people, to take part in the annual blitz. It takes place each year on the last weekend in June and requires about two hours to complete.

• Finally, as reported in an earlier edition of *The Times*, the members of the Twelve Mile-Little Boshkung Property owners Association made a donation of \$650 to the Haliburton Highlands Health Services Foundation. The money will be used for the construction of the health services projects in Minden and Haliburton. The funds were raised through a voluntary system built into the association's membership form.

Township of Galway - Cavendish and Harvey

NOTICE

IN THE MATTER OF THE MUNICIPAL ACT AND IN THE MATTER of the proposed By-laws of the Township of Galway - Cavendish and Harvey to stop up, close and convey to the adjoining landowners portions of the original allowance for road along the shores of Salmon Lake, Crystal Lake, in the Township of Galway - Cavendish and Harvey;

NOTICE IS HEREBY GIVEN, pursuant to the section 300 (1) (a) of the Municipal Act, R.S.O. 1990, as amended, that the Council of the Township of Galway - Cavendish and Harvey proposes to consider, and if deemed advisable, to pass at its regular meeting to be held at the Council Chambers, in the Township Office in Buckhorn, Ontario on Tuesday the 29th day of September, 1998, By-law to stop up, close and convey those parcels of land more particularly described as follows:-

A)	Part (s)	3,	45R-5726
B)	Part (s)	19,	45R-10359
C)	Part (s)	1 & 2,	45R-11003

Registered in the Registry Office in Peterborough, and to sell and convey the respective parts to the respective lot owners adjoining the said respective parts, or their nominees.

AND FURTHER TAKE NOTICE THAT before the passing of the said By-laws at its regular meeting to be held at the time and place above mentioned the Council of the Township of Galway - Cavendish and Harvey will then and there hear in person or by his/her counsel, solicitor or agent any person who claims that his/her land will be prejudicially affected by the said By-laws and who applies to be heard.

Dated at the Township of Galway - Cavendish and Harvey, Buckhorn, Ontario this 13th day of August, 1998.

Busy summer at Branch 636

Bonjour!

Summer is coming to an end. This is very sad for us all.

Things aren't going to slow down at the branch however. Some of the activities we have planned are as follows:

August 29 - Ladies Auxiliary Bake and Penny Sale

September 2 - General Meeting

September 3 - Ladies Afternoon Darts begins

September 7 - Kitchen closed - Branch open

September 12 - Wing Ding Dinner 3:00 to 9:00 p.m.

September 13 - Big Buck Euchre - doors open at noon, cards at 1:00 p.m.

September 15 - Golf tournament (Info Ebbie Bishop)

September 16 - Trivia nite (every third Wednesday)

September 18 - Friday Mixed Darts - times TBA

September 19 - Honours and Awards 5:30 p.m.

September 20 - Decoration Day at Cemetery

Also every Monday we have art classes with John Lennard.

For information on a day at Woodbine Race Track contact Elaine Davison or the branch.

A message from our president, Francine Newton

I hope everyone is enjoying this wonderful summer. I would like to thank everyone who helped with the Hospitality tent during the County Fair. This is a major volunteer event and I especially want to thank Comrade Lois McKnight for all her hours of work, before, during and after. Also a big thank you to everyone who helped out.

There are a few events I would like to remind you about. Our ways and means committee will be holding a "wing night" Saturday, September 12 from

Service Clubs

by Alan (Cub) Coneybeare

three to nine. Our cemetery service will take place on September 20. We would really like to see a good turnout that day. On August 24 we will be hosting a coffee break in support of the Alzheimer Society. Please drop by and have a coffee and look around our branch. We will be serving coffee from two to five.

The branch has purchased a computer and a fax machine. This will certainly help a lot once everything is programmed on it.

Our new flag pole has arrived. Thanks to Comrade Maurice Winterflood for providing and getting it ready. Once it is place we would like to hold a flag raising service.

Don't forget that the branch is open on the Labour day weekend. The kitchen will be closed on the Saturday. Thank you.

Profile of Francine Newton

On December 23, 1947 a bouncing baby girl was born in Kalmtoutse Hoek, Belgium, weighing in at 32 ounces named Francine Irena Verleysen. She grew up in a family of 11. She was the fifth in line. She immigrated to Canada in March of 1953 where the last of her siblings were born. Unfortunately one brother passed away before the move to Canada.

She grew up in Hampton, Ontario and attended public school in Courtice. After graduating she began working for Bell Canada in Oshawa. She boarded in Whitby with people who would eventually become her aunt and uncle in-law. During that time she met Brian Newton, a nephew of her boarding family. After a telephone conversation with his older brother she eventually started dating Ralph instead of his brother Brian.

On October 14, 1967 she and Ralph were married and moved to Hampton. Their son, Christopher was born in Hampton.

In 1990, she moved with Ralph to Minden and joined Branch 636. She is now the President of the branch. Francine is in her first year as president. She is doing a good job under tough conditions. Thanks Francine — We are all behind you.

Cub's Chuckles

On the first tee, Doug sliced his shot deep into a wooded ravine. He took his eight iron and clambered down the embankment in search of his lost ball. After many long minutes of hacking at the underbrush, he spotted something glistening in the leaves. As he drew nearer, he discovered it was an eight iron in the hands of a skeleton. Doug called out to his friend, "Carl, I've got trouble down here."

"What's the matter?" Carl asked from the edge of the ravine.

"Bring my wedge," Doug shouted. "You can't get out of here with an eight iron!"

Till next time — Thanks! Cub

Residents enjoy trip to the Fair

Good day to you all. Hope you had a good week since we last chatted. Although the days are still fairly warm, one can sense that soon the seasons will be changing once more.

We remember how busy this time of the year is. For many of you who have gardens, it is time to reap the harvest and preserve the bounty. Also, it is jam making, pickling season etc. There seems to be no end to it. And if you have children you also have to start that yearly tradition of buying all those supplies and clothes for school. Those times are behind us, but we still remember the hustle and bustle and enjoy hearing all about it from our visitors and volunteers who are still caught up in it all.

Last Thursday we enjoyed having the group from the Minden Legion host our tea party. Thank you for coming, the treats were delicious and we hope you can join us again the future. The following day the Northern Jam were here to entertain us, it was good to have them back with us and we thank them for coming.

On Saturday it was time to visit the Haliburton County Fair. The Hyland Rover was full as we made our way there. We had a great spot in the grounds where we were able to view the parade, tuck into our picnic lunch and later enjoy the entertainment. What a fun time we had and even managed to miss the rain as we headed back home. We must congratulate Louise Bishop and Henry Howe who received a prize for being the oldest man and woman there. We wish to thank the activity staff, volunteers and anyone else who gave their time so that we could enjoy this day. Judy Stevenson also attended the fair, but she went with her brother. Judy reports she had a great time and thoroughly enjoyed touring the buildings with the varied exhibits in them. She especially liked seeing the animals.

The rest of the weekend was fairly quiet. However on Sunday evening we sat down for our first "Diners Club Dinner". This was the menu we chose at our diners club meeting recently. We enjoyed a roast beef dinner with whipped potatoes and stir fry vegetables, followed by a home made

apple pie. The apple pie was baked by our very own cook Sylvia Sisson. It was a delightful change to eat home cooked food. This is going to be a monthly event where we choose a supper to be served the last Sunday of the month. As a matter of fact on August 24 we have our next meeting of the diners club so we will be once again choosing a menu.

We learned over the weekend that Mrs. Archie Stouffer (Candace) passed away in Stouffville. She had just turned 100 years of age. Our condolences to her family and friends.

On Monday the Salvation Army was here. There was a good turnout as many of us like to join in with them. We also had a short memorial for Princess Diana.

Yesterday Linda surprised us with a special treat. She had been out picking oodles of blackberries and generously shared some of them with us. We were served the berries with real cream and a tea biscuit with home made blackberry jelly. It was delicious. As we tucked into this great food we sat around and had a good chat. A very relaxing time it was. That evening we were wonderfully entertained by the Norland Hillbilly's. Our thanks to them.

That brings us back to Thursday. Today our tea party is to be hosted by the Ladies of Gelert. We are looking forward to seeing them again. Things are still very topsy turvy here but we are told this part is almost over. Quite a few of us will be moved to other locations in our home so the next phase can begin. Anyway, that is all the news for now. We will talk with you again next week.

THE CORPORATION OF THE TOWNSHIP OF SNOWDON

ROAD ALLOWANCE CLOSURE

TAKE NOTICE that the Council of the Corporation of the Township of Snowdon proposes to pass at its Meeting scheduled for October 19th, 1998 at 7:30 p.m.:

A By-Law to close and convey part of the original shore road allowance being Part 1, Plan 19R- (TO BE REGISTERED), fronting upon Part Lot 3, Concession 13, in the Township of Snowdon in the County of Haliburton, being frontage upon South Lake.

All submissions by any affected person shall be considered by Council prior to the rendering of any decision.

THE CORPORATION OF THE TOWNSHIPS OF ANSON, HINDON AND MINDEN

NOTICE

(File No. RA-98-09)

IN THE MATTER OF the Municipal Act; and
IN THE MATTER OF a proposed by-law of the Corporation of the Townships of Anson, Hindon and Minden to stop up, close and convey to the adjoining landowner, portions of the original allowance for road located at Part of Lot 3, Concession A, (Lyons Street), in the Township of Minden.

NOTICE IS HEREBY GIVEN pursuant to Section 300(1) (a) of the Municipal Act, R.S.O. 1990, as amended, that the Council of the Corporation of the Townships of Anson, Hindon and Minden proposes to consider, and if deemed advisable, to pass at its regular meeting to be held in the Municipal Council Chambers on Milne Street, Minden, Ontario, on August 27, 1998 at the hour of 7:30 p.m., a by-law to stop up, close and convey those parcels of land more particularly described as follows:-

Parts of the original allowance for road located at Part of Lot 3, Concession A, (Lyons Street) Township of Minden, designated as Part 2 on a Preliminary Plan of Survey, prepared by Harry Curry Bishop Limited and dated June 15, 1998.

The plan of survey is available for inspection in the Municipal Office, at Minden, Ontario during regular office hours.

AND FURTHER TAKE NOTICE that before passing the said by-law at the meeting to be held at the time and place above-mentioned, the Council shall then and there hear in person, or by his or her counsel, solicitor or agent, any person who claims that his or her land will be prejudicially affected by the said by-law and who applies to be heard.

Around the County Town

by Nora Snyder (call 286-4425)

It was so beautiful this morning. Mind you, it was cool, but the temperature caused the mist to rise from the warm water of the river and gave a crispness to the air which means only one thing!! There was frost on the roof of the building across the river, but also that clarity to the air which is so refreshing especially after that humidity of the weeks before. The trees looked so beautiful, etched against the clear blue sky.

I once heard a CBC program about how important the sky is to us and how in cities people do not look up at it to get the perspective it could give to their lives. City life makes it more difficult to be conscious of our connectedness to nature and the universe. City life is creating people unaware of the naturalness and the "bigness" of our planet. In the country, without the overpowering man-made environment, we are more aware of it as a background and an important part in our daily lives. How often do you look at it in a day? Interesting thoughts.

Candace Stouffer, wife of Archie Stouffer, has died. The funeral was held on August 19 in Stouffville. She was in her 101st year. Her birthday was a week ago Saturday and her family had made plans for a big celebration. Just before the day, she suffered a stroke and was unable to attend. The party was held anyway as the family knew she would have wanted it that way. Laura and Dick Kirkwood attended. Candace and Archie Stouffer lived on North Water Street, in the home which is now being extensively renovated and turned into The Wild Swan B & B Inn. The couple was very active in the Minden

United Church and in the community. Our public school is named for Mr. Stouffer. After her husband died, Candace moved to Pembroke to be close to a daughter and spent her final years in Stouffville. The community is named after the Stouffer family, so we know their family has been a positive influence in all the places it lived. Our condolences go out to the family at this time of their loss.

Mary Seymour had a wonderful visit from her daughter Lisa and her family for a couple of days last week. The friends on the lake would like to thank Bob and Lisa for tubing and skiing "us fifty year olds", with their 150 HP Bass boat. It was a first, and truly an exciting time for all. Even Master B. Seymour went tubing! We all look forward to their visit next year!!

We're trying something new this week by dividing out the score news from the "other" news, whatever that might be. Should we call it, Who's scored in Minden and area? The who's, who's of scoring? The top scorers of Minden and environs? Perhaps I will leave the title up to the editor!! So newsy news is welcome for the column, as it always was, (No gossip!!), but what is happening, what is going on in our county town and surrounding area.

So I will wish you well here, (I still have the scores to write) and I look forward to seeing you here next week!!

Scoring News

First, with the bridge results at Stanhope, played on August 18: Honorable mention goes to Ray Moore;

Frank Schlotter was third with 5680; after many weeks in the doldrums, Betty Dicker, second, with 6460; and hats off to Betty Skinner who won with the fantastic total of 7090. Three little slams were bid and made by Denis Walsh and Lillian Mahaffy; Betty Skinner and Frank Schlotter; Betty Dicker and Fred Heald. Another great afternoon as usual.

Duplicate Bridge played at Echo Hill Apartments on August 13 had as winners in north/south: first, Stella McMillan and Ross Davies; and in second, Betty and Frank Schlotter. East/west had as winners: in first place Vange Croucher and Maria Lehoczy; and second, Jacqueline and Kelly Metcalf.

At Park Lane on August 19, there was another good turn-out. Anyone interested in playing with this group is asked to call Jacqueline Metcalf at 457-3756. In the north/south position: Fran and Norm Smith were first: Alex McLeod and Mike Collins, second; Betty and Ernie Keller were third. East/west: Mayme Douglas and Vera Carnochan, first; Betty Dicker and Ross Fletcher second; Helen McCracken and Harold Cox, third.

Last Monday, at Club 35, Barry Thrash won the 50/50 draw. Frank Campagnolo won lone hands. The high scores were won by Anne Walsh and

Milt Fletcher; the low scores by Verna Sawyer and Dick Crewe. Ken Stiver won baloney. Those special awards went out to Denis Walsh, Ethel Baker and Barry Thrash.

Friday, August 14, saw Bid Euchre played at Club 35. Four moonshots were won. The high men's scorers were Jim Skinner, 254; Milt Fletcher, 232; Susan Lonnee, 221. High women were: Eleanor Smith, 206; Grace Smyth, 204; Maisie McCrone, 199. Good going!!

On August 13, at the Minden Legion, they had a good night of Euchre. Iris Taylor and Tod Edgson got most lone hands. Ellie Langpohl and Lois Adamson won the high scores. Hillary Wilson and Cecil Gibbons got the low scores (and I'll be in Scotland afore thee!!) Other prizes were won by Rob Evans, Helen Lee, Jim Bradbury, Marg Bradbury and Marie Dennie.

The message on my machine was that they had a good time at St. Paul's Friendship Club but Katie Parker hadn't been there that week. I hope you are okay Katie or are you just too busy? Helen Lee won lone hands. Fern Donnelly was high woman. Jeanne Sears was high "man". Marie Dennie won the 50/50 draw

Keep the scores coming in!! We will see how our change here is working out.

Haliburton, Northumberland and Victoria
ACCESS CENTRE

REQUEST FOR QUALIFICATION

The Haliburton, Northumberland and Victoria Long-Term Care Access Centre (the "Access Centre") provides management of and access to certain health and support services to be provided to eligible residents of the three (3) counties, in their residences, schools and community facilities.

The Board of Directors of the Access Centre is charged with the provision of, among other services, the following mandatory required service:

- Personal Care Homemaking and Related Services (referred to as the "Service")

The Access Centre will award contracts for the provision of the Service by REQUESTING PROPOSALS from invited, interested and qualified individuals or agencies. THIS PROCESS is to be completed in two (2) stages:

1. REQUEST FOR QUALIFICATION - PRE-QUALIFICATION:

Each agency (a "Respondent") that is interested in providing the Service and intends to make a proposal to, and for consideration by the Access Centre, MUST pre-qualify in accordance with the terms and conditions of the Request for Qualification in order to be invited to submit a proposal.

2. INVITATION TO SUBMIT PROPOSALS TO PRE-QUALIFIED RESPONDENTS:

Each Respondent who meets and fulfils all requirements of the Request for Qualification will be INVITED TO SUBMIT a proposal for the provision of the Service in accordance with the terms and conditions of a Request for Proposal to be issued to invited Respondents on or about September 23, 1998.

The Request for Qualification will be available during regular business hours (0830 to 1630) from Monday, August 31, 1998 at 0830 hours until Tuesday, September 15, 1998 at 1200 hours (noon) at the following address of the Access Centre.

The Haliburton, Northumberland and Victoria Long-Term Care Access Centre
Lindsay Office
108 Angeline Street South,
Lindsay, Ontario K9V 3L5

Respondent's response to Request for Qualification MUST be received by 1200 hours (noon) on Tuesday, September 15, 1998 at the reception desk of the above noted address, Attention: John Grasswell, C.G.A., RFP Coordinator.

NOTE: AN AGENCY'S RESPONSE TO THE REQUEST FOR QUALIFICATION MUST SATISFY ALL REQUIREMENTS OF THE REQUEST FOR QUALIFICATION IN ORDER FOR THE AGENCY TO BE INVITED TO SUBMIT A PROPOSAL PURSUANT TO THE REQUEST FOR PROPOSAL.

Minden's
COUNTY TOWN
MUSEUM
705-286-3154
Week 9
Aug 25-29, 1998

Please pre-register for all workshops. Unless stated, all functions are by donation. Watch the paper for Fall programs to be announced.
August 26: 10:30 a.m. Lynn and Paul Baynton, Renovations of the Phillips/Stouffer/Coneybeare House.
August 27: 11 a.m. Back by request, Making a Gift Box and an Emergency Drinking Cup.
August 28 or 29: 10:30 a.m. to 3:30 p.m. Make a denim quilt top using old jeans. Suitable for a tied quilt project. Fee: \$25 per day. Material list available when you register.
Fall Workshops will be announced in the newspaper with the name of the program being offered as well as times, dates and costs.

Just to mention a couple of the workshops, toothbrush rag rugs and the four braid rug will be featured. There is a strong possibility that porcelain dolls will be on the agenda. The Pickle, Jam and Jelly Club will also hold their swap meet in October.

Earn extra money at tax time.

Every year, Canadians
spend more than \$100
million to have their tax
returns prepared. You can
profit from this situation
by becoming a qualified
tax preparer. H&R Block,
Canada's largest tax
preparation firm, offers
comprehensive, step-by-
step training, compu-
terized instruction and
class times to fit your
schedule.

H&R Block employs more
than 10,000 tax preparers
nationwide, and we're
always looking for qual-
ified tax course graduates
to join our team.

CARDS OF THANKS

The family of the late James Dugan would like to express heartfelt thanks to our relatives and many friends who helped ease our sadness in the loss of a very special husband, grandpa and dad. Your many acts of kindness, both in the past and now, will never be forgotten. Thanks for the phone calls, cards, floral tributes, visits and food items. A special thanks to Aunt May for her delicious homemade bread that she sent on a regular basis during Dad's five year illness.

Thank you to the Haliburton Homecare Access Centre, Paramed Health Services, Red Cross, Minden I.D.A. Drugstore, all the V.O.N. nurses and the ambulance drivers - without your help we would not have been able to care for Dad in our home. So many people went beyond the call of duty that to name and thank you all personally would be impossible. A sincere thanks to all our great homemakers, especially our long-term ladies - Karen, Joan and Kelly - you were so loving and caring to Dad. Thanks also to the many night nurses for their efficient and kind care especially Tina and Tanya who were with us through the last difficult nights. A great big thank you to our Caseworker, Kathy Potter, who handled all our times of crisis in a loving, organized manner. Thanks, you were great.

Thank you to Dr. Maurice Smith, Dr. Judith Smith and Dr. Scott Coles for their medical care and visits. We appreciated Ruby and Marie coming so many times to allow us to go Curling with the Seniors. Thanks also to Carl who visited Dad so much and always brought a chuckle or a smile of pleasure to Dad's face. Many thanks to Rev. Harry Morgan for his beautiful message and memories of Dad and his comforting words to us. Thanks you Glenda for writing and reading that wonderful poem of memories you had of your Grandpa. We were all very proud of you.

To the Monk Funeral Home - you made the task of losing our loved one more bearable. Thanks Barry for your help and understanding. Thanks also for the excellent care of our grandchildren during the visitation period. Thank you to the pallbearers - Cheryl, Glenda, Kevin, Carl, Ron and Ray - all very special people to Dad.

Thanks to all the close friends who gathered on the night of Dad's death to be with us. Those acts of kindness are kept close in the heart always. Thanks to Barb the V.O.N. on call who came to be with us after Dad's death and helped us in a loving, professional way.

Thanks you to the Ingoldsby and Lochlin ladies who prepared and served the lunch after the funeral. Thanks again to our many, many faithful friends who helped in so many

different ways. Thanks to each and every one for your love and kindness to Dad and us.

Gladys Dugan,
Yvonne & Mike Newell
and Family.

The family of the late John Mulder would like to express our deepest thanks to the many friends who gave their support and kindness.

Evelyn Mulder & Family.

I would like to take this opportunity to express my greatest appreciation to my employers, John and Vera Kernohan, for their understanding this week. I have devoted myself lately to the Minden Agricultural Society and the Haliburton County Fair. Without their support I could not have done my part as secretary for our 134th Fair. Thank you very much.
Mary Minto.

AT REST

KENNETH
Anthony

Peacefully at his home in Norland on Monday, August 17, 1998, surrounded by his family and overlooking the trees he loved. Tony was born in Winnipeg on September 25, 1914 and was a longtime employee of De Havilland Aircraft where he met his first wife Marjorie now deceased. Greatly missed by his best friend and second wife of 27 years Barbara. He will be lovingly remembered by his childre, Sandy and Rudy, Marlene, David, and Jo-Anne, by his grandchildren Shane and Tammy, Garritt, Teri-Lyn and Laurel, by his great grandchildren Danielle, and Joshua, and by his stepchildren Janice, Joan, Barry, Sammy and by their families. Tony's puppies Tara and Dudley will greatly miss him. Tony loved a good party, and a celebration of his life will be held at the Royal Canadian Legion in Coboconk (Highway 35 and Highway 48) on Friday, August 28, 1998 at 8:00 pm. Memorial donations to the Canadian Cancer Society or to the charity of your choice would be appreciated by the family. Arrangements entrusted to the Gordon A. Monk Funeral Home 127 Main St. Minden, Ontario K0M 2K0 (1-888-588-5777).
